

METALS IDENTIFICATION STUDY GUIDE

1. Aluminum sheet or plate
 *light silver*
2. Copper sheet
 *penny color*
3. Galvanized sheet steel

4. Cold rolled sheet steel
 *silver*
5. Hot rolled sheet steel
 *black*
6. Perforated sheet steel

7. Brass Pipe
 *gold colored*
8. Galvanized pipe

9. Standard black pipe
 *black*
10. Square tubing

11. Round tubing

12. Channel iron

13. Angle iron

14. Flat bar (band iron or hot rolled strip)

15. Hot rolled square

16. Cold rolled square

17. Hot rolled round

18. Cold rolled round

19. Hexagon tool steel
 *- 6 sides*
20. Octagon tool steel
 *- 8 sides*
21. Reinforcement bar

22. Rectangular tubing

23. Expanded sheet steel
